She will probably be the last time I see you. Stay smart and we will see you in the future years.

Xavier Soliz

Remember that night over your house and all the crazy things we did! Remember also Mrs. Beck and Geo. and those last few days of school. Even though we weren't each other a short time, we became good friends. Good luck in Calif. and stay the way you are!

Love,

P.S. Also remember the window Ed!(?)

Thanks for the rides to school in the morning. I'm glad you rode the bus a few days so I had company. Good-luck in California

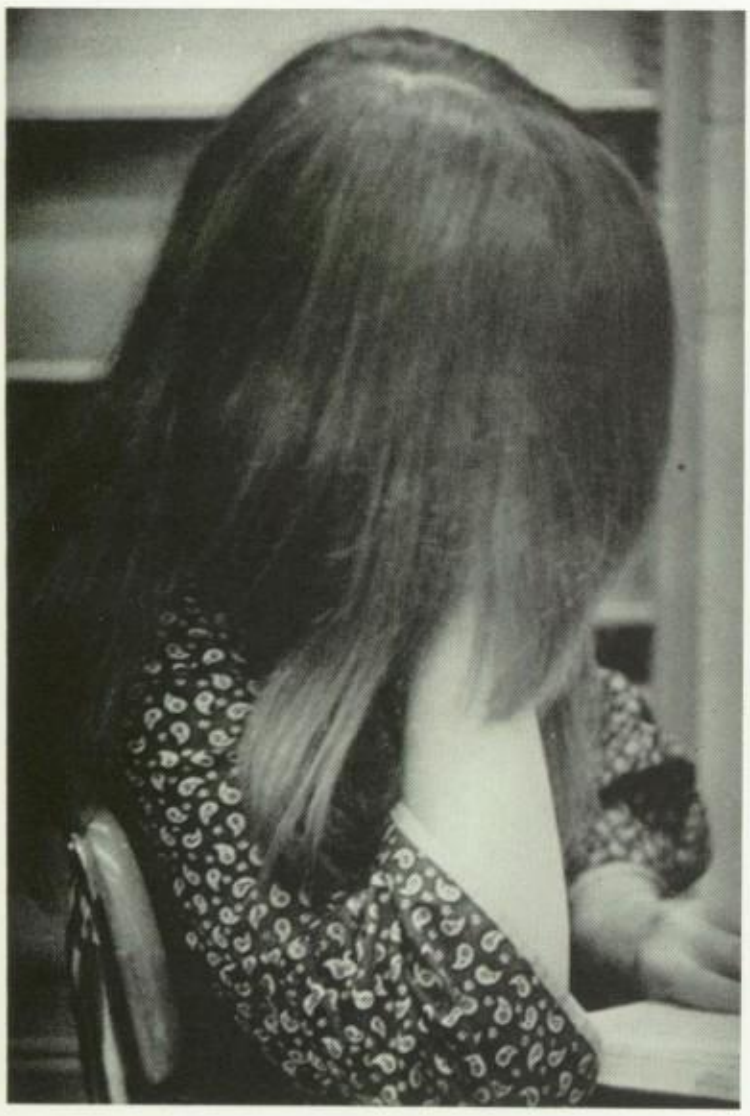
We, the Class 1967

are the 50th class to be graduated from Roger Ludlowe High School. We have changed a great deal, and yet students will always be characterized by the same basic spirit and goals.

Our environment has evolved to . . .

from . . .

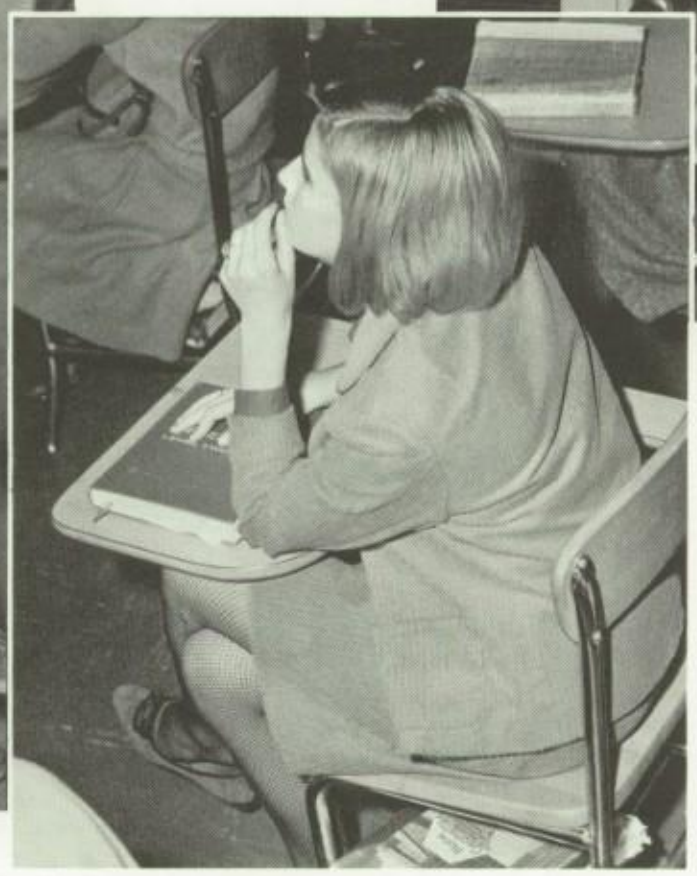
The faces have changed, especially the hair styles . . .



but our activities are about the same as they were 30 years ago . . .

"The Kuddle Club" is a loosely organized group (loosely organized for fancies change) of happy adolescents whose romantic antics have brightened our corridors and extra-curricula activities. Officers change frequently so none are listed. There is a naive innocence and sprightliness about the organization insured by such faculty advisers as Uncle Joe, Miss Hall, Miss McLaughlin, Mrs. Kendall, and Mr. Webster, to name but a few. The group has no formal origin, like Topsy, it just grew. Happy days for all of them.

although perhaps a bit less formally organized.

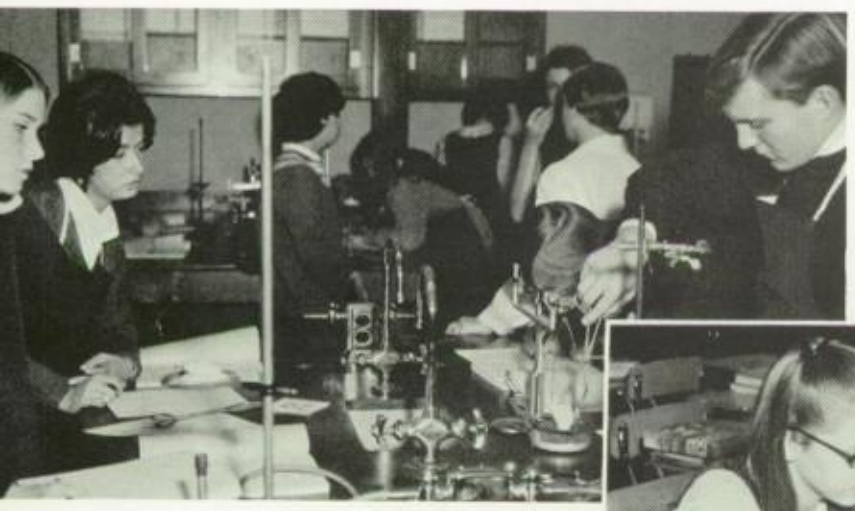


Our fashions have undergone obvious transfiguration.

And although the appearance of our leaders has altered, the meaning of leadership has not.

The student's objective will always be education, but the specific result and the tools with which we carve that result differ.

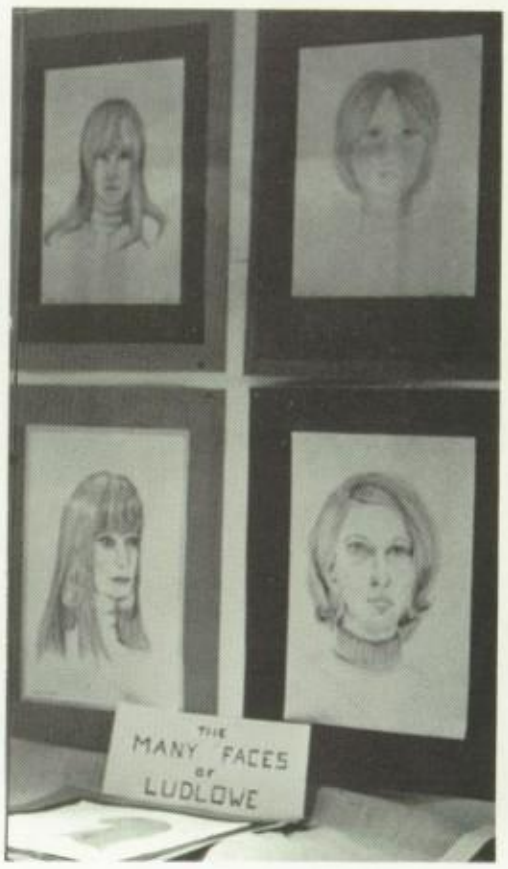
Our means of learning today may be through . . .



experimenting . . .

and analyzing our results . . .

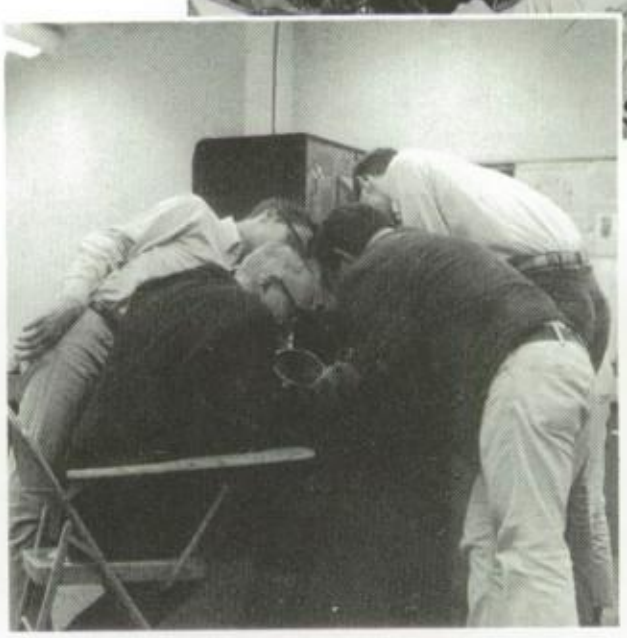
field trips . . .



and studying one another.

SENIOR CLASS

We are confronted with the same problems . . .



and work together in the same ways to solve them.

And our spirit will always remain.

Activities

Co-ordination Through Representation: HOUSE

ELLSWORTH HOUSE

Ellsworth House Council provides the members of Ellsworth House with an opportunity to participate in student government. The Council helped promote house spirit through a homeroom window and bulletin board display contest. Other projects included selling coke and chips at basketball games and selling potato chips after school in Ellsworth House corridors. After much hard work, the Council has made this another successful year for Ellsworth House.

The purpose of Haynes House Council is to instill in its members a sense of individual responsibility, a spirit of cooperation, and to provide opportunities for leadership and participating in the operation of the school.

The representatives have sold potato chips and pretzels after school and at basketball games. Using these funds we held a Christmas social in honor of two Haynes House foreign students, Ellen Van den Heuvel and Esther Scheele.

Plans have broadened far beyond the scope of social activities and now include an all-out "help humanity" project, which we hope will remain with Haynes House Council for years to come.

COUNCILS

Silliman House Council was organized to better the relations between students and teachers within Silliman House. This year's Council decided to go beyond these previous goals and bring all house councils closer together and instill house and school spirit in every student. The Council began the year with an open house for our new housemaster and then began work on honor study. Plans for a dance with Haynes House have begun and Slave Day is again on our agenda. Silliman House Council co-operated whole heartedly with Operation Cafeteria, Roger's Pool, Shares of Democracy and other activities of the All School Congress and American Field Service. The Council has had a good year and we hope we have achieved our goals.

This year, Webster House Council demonstrated to its students and teachers the function of the House Council. Students worked on colorful bulletin boards including the monthly calendar opposite Webster House Office. The newspaper, "Webster World," was again published and the traditional Christmas tree was gaily trimmed in time for the annual Christmas party. Under the guidance of an energetic advisor, the officers and members revised the constitution and established better parliamentary procedure. We hope that all students of Webster House will have benefited by the accomplishments of their Council this year.

ALL SCHOOL CONGRESS OFFICERS
D. Pearson—Sec., C. Power—Treas., S. Filliettaz—V.P., C. Storey—Pres.

This year's A.S.C., marked by the casual confusion, was led through a long year by President Chris Storey, V.P. Steve Filliettez, Tres. Debbie Pearson, and Sec. Charity Power. Mr. Robert Carchman advised this exalted quartet which made headlines by installing ash trays for the use of Congress personnel.

As in past years Ludlowe's A.S.C. attempted to take over the school and failed. Operating under the guise of a service organization the A.S.C. was unveiled late in the year by the Super Syndicate as a secret branch of the Communist Youth Organization. This discovery came after the A.S.C. had sponsored a few wild dances, a Hospital Drive, and a Christmas Drive for the Viet Cong, in an obvious attempt to sway the student body.

The Congress got us on the way to independent living by driving all the teachers from the lunchroom and beginning Operation Cafeteria. Patrolling the confines of Ludlowe's Slop House from now on will be student monitors, if they have not skipped out. The plan was marred by the Great Pear Fight of '67 which pitted the monitors against everybody else. As we look ahead to the future we see a showdown between the A.S.C. and the men of the Syndicate, in simpler terms, Evil versus Justice.

SYMBOLS

Symbols, the literary magazine, provides an outlet for creative expression. It publishes original poems, short stories, and art work. After haunting the library for countless Thursday afternoons, the editor and staff compiled an issue which was enthusiastically received by teachers and students alike. *Symbols* is one of the few clubs in which the unconventional students can participate, although their opinions are tempered, of course, by the more mundane members.

One Year's Activities Bring Next

Supat Infahsaeng

My adventure brought me half way around the world, from the Land of Smile to the great modern land of America. Everything here was new and fantastic and so different from Thailand. I remember the first snow fall I ever saw. I tried to send it to my friend in Thailand, but it was impossible.

Thank you so much for a great year. It is difficult to find the right word to describe how much I love America. I remember that once our world was so big, but now it is so small. It is only 24 hours from Thailand to America, and I hope very much to come and see you again.

I welcome everyone to Thailand, especially to my home. But unfortunately for the boys, I don't have any sisters. I have only six brothers in my little family.

So long to Fairfield, Roger Ludlowe, and the nicest tiger I ever saw. Your friendliness, kindness, and love will be in my memory forever . . . "Hi, Supat! How are you?" Even though I will return to Thailand, my heart will still be with you.

So long with love,
Supat

Supat and his American family, the Tuckers.

Year's EXCHANGE STUDENTS

This year I came to know a very different life; the life in my American family as well as life in school. I have learned a great deal from living, talking and doing things with you. I have admired your open-mindedness, your eagerness to learn about other countries, the hospitality and the willingness to share your homes and ideas with people from distant countries. These have given me an understanding for Americans and their way of life. I came to respect and to love them, taking them as they are.

You love your country for what it is and because you are part of it. I have been part of this country and also of Roger Ludlowe, and it will always be a part of me.

I think this is one of the most important goals that A.F.S. strives for: mutual understanding and respect between the nations, taking each other as we are, without restricting our views to the differences which are sometimes big, but most often are small.

Thank you for letting me be one of you this year and for making my A.F.S.-year so happy.

FRENCH CLUB

The French Club was organized to give its members an appreciation and involvement in the culture, customs, and language of France. The meetings were well-planned and included several interesting speakers, visiting French students studying in this country. Christmas was celebrated with the traditional "Buche de Noel" and a visit from "Pere Noel," the French Santa Claus. Epiphany, King's Day, was also celebrated with a "Galette des Rois," a cake containing small porcelain figures going to lucky people. *Le Petit Prince,* a story by Saint-Exupery, was rewritten by the members of the club in the form of a play and produced for others to see. In addition, there were several trips to New York to see *Les Femmes Savantes* by Moliere, Charles Aznavour, and Jacques Brel. We concluded a very busy year with the traditional spring dinner, for which each member cooked his own share of the meal.

Le Cercle Francais of 1938

SPANISH CLUB

"Los Vagabundos," Spanish Club, has as its purpose a furthering of interest in the people and customs of Spanish speaking nations. The highlight of our first meeting was Cynthia Youhouse, who gave a colorful demonstration of the Flamenco. Sue Gilchrist spoke of her summer residence in Spain at the November meeting. The Christmas Fiesta was given for thirty third-grade Puerto Rican children who received gifts from the traditional Three Magi and enjoyed breaking the handmade, candy-filled pinatas. In February, the Peace Corps and Gilbert Mott played Spanish music for the group. The Spanish Club field trip to New York to see "Man of La Mancha" was a tremendous success.

The faculty advisors of the German Club are Miss Wright and Mr. Hetzer. In our meetings, we play German games and listen to German music. In the past, movies and slides on Germany have been shown. It has been a tradition to celebrate at the end of the year with a German style picnic.

FAIRFIELDIANA Celebrates Seniors' Golden

After the raid of the ASC Hideaway, the YB Room attained a sacred place in Ludlowe's intricate underground Teacher-Avoidance System. Getting as many as 63 people into this room proved to be no problem although, at times these conditions hindered the daily poker games.

Numerous records were set by this year's staff. Among the more spectacular were: Jim Yasser leaping the *Fox* Wall with a single bound, K. C. Host ripping both stockings and losing a contact in one period, Jane Ireland posing for 632 pictures in one day, an unnamed person mimeographing 1000 "B. Barber" passes, and the impeachment of magicians who kept doing disappearing acts.

This was the year that the infantile jabbing at the *Fox* ceased, and we joined together in a serious effort to wipe out the teachers dedicated to wiping us out. It looked like a long war, though. Like the Viet Cong, everytime we eliminated one, another took his place.

Despite our incompetency, it was fun working together for a week or two. In closing we would like to wish next year's staff the same ability to have a good time. Please feed the goldfish, and don't forget to cultivate the crop growing in the bottom filing cabinet.

Bernardo

THE FOX completed another year of publishing the usual unbelieveable newspaper. The staff, led by Big Chief Meg Lynch, Lynn Cowras, Nancee Cuningham, and Barb Schneider, achieved success previously unheard of in literary circles. The institution of the "Scandal of the Month Club" resulted in new circulation records. It is hoped that this series, featuring the Super Syndicate, will continue next year despite the graduation of the Syndicate's Propaganda Director. One of the more outstanding jobs was done by Christy Bailey, who always managed to get her adds even though we couldn't use the one for the "Greater Bridgeport Mafia." On this note we close, hoping there will be a FOX next year.

After ten days of orientation in Bangkok — about American custom, food, manner and other important things, I arrived at Bangkok Airport with thousands of people who would like to say good-bye to 160 Thai AFS students. That day two big buses came from Petchburi (my home town) to say good-bye to me. One contained my friends and teachers and all friends who work with me in student council of which I am president. Another bus carried my relatives in Petchburi including my mother, and four priests. I received many gifts from these people such as an icon of Buddha, tie, woodcarving, etc. I thought that day was the best day in my life, because I didn't see anything except the sea of my friends faces and some crying people. This day was the tenth of August.

Many girls were crying as they boarded the plane which left at 6:00 p.m. straight to Bombay. It took about four hours. Everyone in the plane looked very happy. We joked all the time because 160 Thai AFS students were in that plane. We moved to other seats for games, cards, and talking. Then we had Indian food including goat meat. When the plane dropped in the air sac it looked like we dove from the high place to the river. Every girl jumped to the boys arms, so that at times I was very tired, I couldn't breathe.

We spent that night in Bombay at Tajmahal Hotel, including eight stories. Bombay is a big city but full of slums and poor people. In the morning I went to the airport, I saw a lot of poor people standing in a row for food.

I left Bombay for Moscow. It took about seven hours. I passed over many countries such as Pakistan, and Afganistan. I looked through the window all the time, and it was a beautiful view. It was very wonderful over the Sahara Desert. I thought it was supposed to be very hot, but it was very cool so every one wore blankets. While the plane stopped at Mascow, I couldn't get out. It's too bad, people without smiles, a small airport, small houses and full of evergreen forests.

From Moscow to England it took about four hours. I saw Poland, Germany, and the Netherlands. When I reached London, it was nice weather over there. I saw two level buses in the busy street which crosses among the big old high buildings. I stayed at London Airport and waited for my plane to New York. The plane I took was Pan Am, which went

Dear Sir:

I would like to thank you and your students for the fine contribution of clothing which we have received. The two boxes arrived here intact and had a very good assortment of clothing for our refugee village.

Try-outs, call-back, run-through, dress rehearsals, and "the show" are all familiar to our students who have contributed time and energy to making the 1966-67 dramatic year at Roger Ludlowe a bright one. The season commenced with Gilbert and Sullivan. It continued with "Visit to a Small Planet" and "Winnie the Pooh" presented by the Drama Club. These one-acts were followed by "Showboat" sponsored by the Fathers' Club, and the season culminated in the production of VanDruten's modern classic, "I Remember Mama."

The by-word of the directors, casts, and crews has been "Quality." Each play selected, each student cast, each set built, and each line interpreted has been aimed at maintaining the high standards set for Ludlowe theater in past years. If the goals of theater are to grow and learn as individuals as well as to hold and entertain an audience,then our year of drama has been worth-while.

ORCHESTRA

After a busy football season, the Concert Band settled down to a busy concert season. The Christmas concert, the tours to feeder schools, the spring concert, and graduation kept everybody busy. At the same time, we were privileged in having our band members represented in the All-Fairfield Concert, The Southwest Division CMEA festival in Danbury, the All Eastern States Band in Boston; and once again we had one representative, Priscilla Miller, in the All-Student USA Band touring Europe this summer.

"Quality, not quantity" is the motto of Ludlowe's small orchestra. Although the orchestra has not made many public appearances this year, they have gained by the large repertoire of music read. Student conducting and "doubling" on instruments has been an added incentive in the program.

Ludlowe's Concert Choir has always represented Roger Ludlowe proudly as "the leading choral group in the school." Under the able leadership of Mr. Dunbar, the choir performed in the Christmas Concert and in a Christmas Assembly for the school. The Choir also traveled to Tomlinson to present a program and performed in the Spring Concert. The year 1966-67 has been a busy one for the choir with the help of its officers, Richard Sebesyten, President, Lucia Flug, Vice President and Julia Ward, Secretary-Treasurer. Yet even now the Choir looks forward to next year. From the Seniors, a "thank-you" to Mr. Dunbar and "good luck next year" to the rest of the choir.

TWIRLERS AND TWIRLETTES

Ludlowe's twirlers came up with a new idea this year. All new students interested in baton twirling had to belong to the twirlettes first. Twirlettes were the sharp-looking group of girls who "twirled shakerettes" — as you see on the pro-football game halftime shows. Sharp routines and lots of color gave these girls a great start on another "Ludlowe first." They are looking to a full year next year with new uniforms as well.

GUYS AND DOLLS

When will the Swingle Singers be appearing at Roger Ludlowe? Anytime you wish — simply engage the "Guys and Dolls" for a program. Of course, you won't see the famous jazz group on stage before you, but you will be able to hear a surprisingly close approximation of their vocal style. Such contemporary arrangements of Bach are only part of the diverse repertoire of this student group. Other numbers include such popular songs as "Mame," "If Ever I Would Leave You," and "Gigi."

"The Guys and Dolls" are a select co-ed ensemble taken from the concert choir. They wear special uniforms of black blazers with an original emblem on the pocket, dark skirts or slacks, white shirts, and orange ascots. The group sang at the Christmas Concert, the Spring Concert, and has performed for the Rotary Club, the Junior Women's Club, and for Tomlinson Junior High.

AMERICAN FIELD SERVICE

The American Field Service was proud to host two exchange students this year and has worked hard to do the same next year. To raise funds, the club has sponsored newspaper sales, the Shares of Democracy Drive, the annual student-faculty basketball game, and the newly established Shorts Day. Promoting world understanding, the club held an International Weekend, involving exchange students from surrounding areas and much of Ludlowe's student body. Ending the year successfully, we hosted an A.F.S. bus of exchange students touring the United States.

The Music Council is an organization composed of the presidents and vice-presidents of the choirs and bands and Modern Music Masters. Its function is to represent the various music groups in planning music for the school, to act as a liaison with the music directors in presenting, discussing, or solving student problems of complaints, to serve as a public relations unit to help promote the prestige of all music groups, and to coordinate activities within the Music Department. For the past several years, the Council has sponsored activities to raise money to purchase an organ for the school and since we have not yet met our goal, we are striving to meet that end this year.

The Future Teachers of America aids in preparing students for teaching. The club's purpose is to inform members of the rewards and demands of teaching, and to offer a chance to practice teach and decide if teaching is their field.

During the year the F.T.A. has many activities. The banquet held annually is for the installation of officers. On May 12 there was a trip to Danbury State Teachers College. Every year we give sophomores, juniors, and seniors a chance to go to schools around Fairfield and observe teaching methods. We also aid teachers at Ludlowe by correcting papers and tutoring.

FUTURE NURSES OF AMERICA

The Future Nurses Club and Red Cross have joined forces to make this year one of the best. We have had visitors come to the club to talk of their schools of nursing, telling the qualifications of nursing to the girls. The representatives from Norwalk, Bridgeport, Stamford and St. Vincents have the pro's and con's about nursing, the pre-entrance qualifications, and the opportunities that wait for girls trained both in hospitals and colleges. The F.N.A. went on a field trip to Grace New Haven Hospital to see a hospital setting and the duties of a nurse while working on the floors. The candy sale and cookie sales are responsible for the increase in our treasury making possible future trips to Danbury State College and the Norwalk and Bridgeport Hospital School of Nursing.

The Girls' Athletic Association, under the leadership of Miss Heady, has become a well known organization at Ludlowe. This year they have continued with their task of selling tickets at the boy's basketball games, have sold refreshments at two of these games, have had a cookie sale, and have helped to increase school spirit by selling "shakers" at basketball games. All these projects helped the girls raise money for the $100.00 scholarship they gave to a worthy senior member of the organization.

While the girls do spend much of their time doing things to raise money or boost school spirit, they also have time for fun. A very successful ski trip to Butternut Basin was among their most exciting excursions, and also the club enjoyed a field day in the spring and several sports days throughout the year.

The G.A.A. ended up an extremely successful year with the annual girl's banquet, decorated to the theme of "The Girls for All Seasons." Toasts to the respective classes, the presentation of awards, and a guest speaker, were the highlights of the evening.

It's not a club! It's not a sport! It's the weight training group! The Bowling Club, which meets every Thursday at Nutmeg Lanes, varies in size from 15 to 25 students. There is a constant war between the students and the faculty sponsors, Mr. Henry Palmer and Miss Helen Barila. Jim Fekete with his 175 average and Mike Kelemen with a 160 average, team up against them. Jim and Mike claim that they let the sponsors win occasionally so they won't get discouraged.

Usually on lanes 25 and 26, the boys go in to battle against the girls. Believe it or not, the outcome is pretty even; and some times it is disastrous for the boys!

Mr. Palmer hopes to gain at least ten more bowlers next year, and for those interested, he will try to arrange competition with other schools.

The purpose of the Judo Club is to instruct interested students in the art, culture and sport of Kodokan Judo. This is the second year that the club has been active at Ludlowe under the instruction of Mr. Kosch and Mr. Beck. The group meets every Wednesday and Friday after school for two hour workouts. The club has come a long way this year, becoming an official A.A.U. club, participating in the State A.A.U. Junior and Senior Championships and developing an excellent library of Judo books.

Modern dance is a combination of ballet, jazz and interpretive dancing. We hope that this club will continue to thrive and provide our students with an outlet to express their creativity through Modern Dance.

In the past year, the Radio Club has taught each member the Code Practice, which is essential to obtain a Federal Communication Commission license. Our main goal is to acquire enough members with their F.C.C. licenses to establish a radio station of our own.

The primary objective of the Ludlowe Photography Club is to have fun, ıd with John "Modesty" Blaise as our president, we have no alternative but do so. Until then, the club discusses the sport of S.C.U.B.A. diving and prepares for the diving season. MOTORCYCLE CLUB

The Motorcycle Club is having another successful year. Interesting movies are shown illustrating all aspects of the sport with emphasis on safety and control of the machine. There are also informative discussions between members and Mr. Kosch, the advisor, about the technical "bits and pieces" and personal experiences.

This year another Motorcycle Show will be held and the club hopes it will be as successful as last year's. Also on the drawing boards for the future is another Competition Day where cyclists compete for prizes donated by local dealers. Last year at this event there were many ace riders who demonstrated the skill safety and fun of being a motorcyclist.

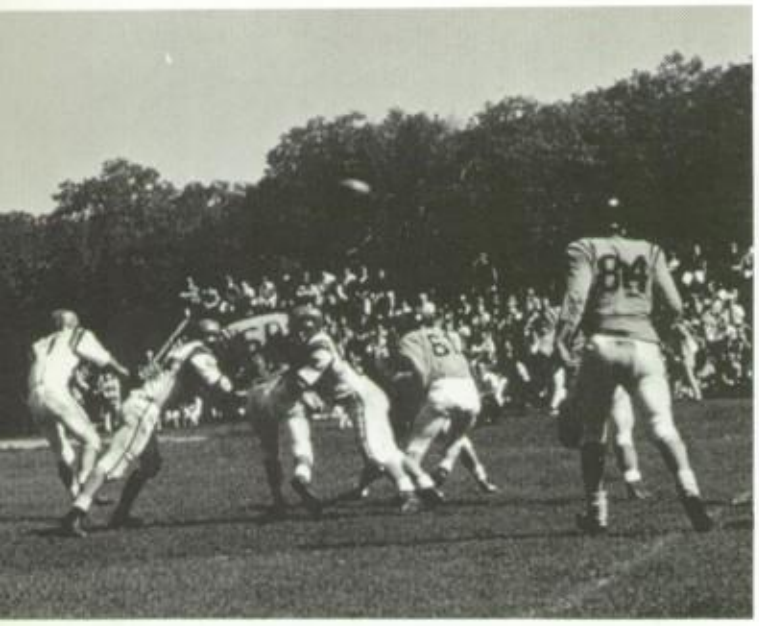
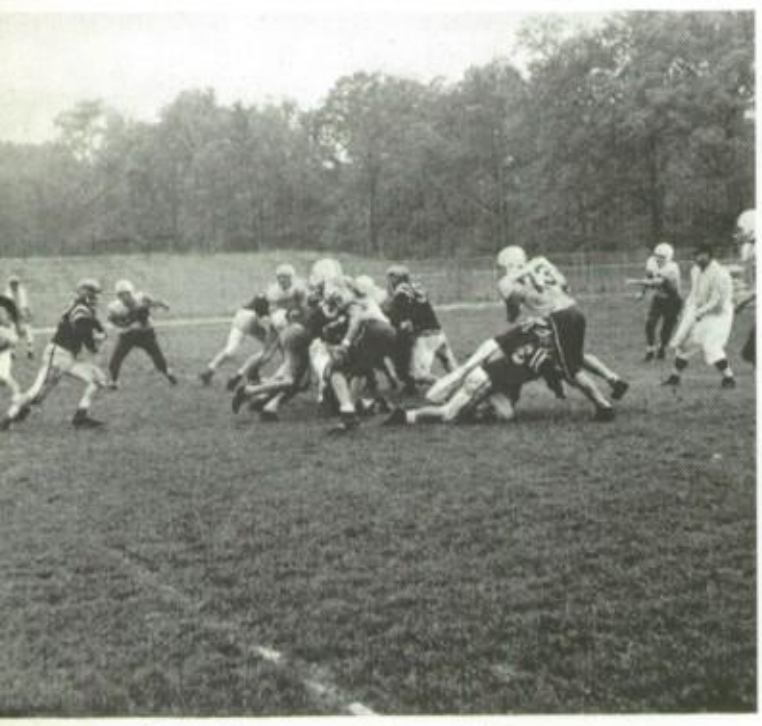
LUDLOWE STARTS FAST - SWAMP TRUMBULL, THEN SENATORS FALL



Against Trumbull it was Keller to . . .



Dom Lagana carries to the one.

Hesser picks up a first down against Warde

Dom scores against McMahon.

LUDLOWE 42 TRUMBULL 0

Joe Keller discovered Pat Tatom today, hitting him and other receivers eighteen times for three touchdowns. Steve Hesser also played well as Ludlowe humiliated an inept Trumbull team. Dom Lagana, Bob Polster, Tatom, Keller, and Paul Lee all scored TD's.

Ludlowe 12 Darien 6

With the field a quagmire and the fans freezing, Ludlowe pulled out a freakish win in the last two minutes. There was no passing as Lagana, Bill Selim, and Hesser picked up 186 yards rushing. Dom scored the first TD and when Darien fumbled a punt on the goal line Bill carried it over to win the game.

ANNUAL WARD MASSACRE
Ludlowe 38 Warde 18

Once again the Wardies turned out to be pushovers. Eric Zolan led an inspired defense early in the game. Then the offense got into gear, with Dom Lagana going 47 yards around the left side. In quick succession Steve Hesser and Pat Tatom scored before Steve sealed the game with a scintillating 63 yard punt return to open the second half.

LUDLOWE 38
McMAHON 18

Bill Selim, with 52 yards and 5 carries, and Steve Hesser, 60 in 10, were outstanding. Selim scored twice, on the 13 yard pass and an 11 yard scamper. Bob Polster, Steve, and Jeff Tuttle all scored for Ludlowe.

. . . Tatom nine times and for fourteen points.

Steve goes 60 yards for a TD against Warde

LUDLOWE 14
NEW CANAAN 13
LUDLOWE 28 STAMFORD 0

Ludlowe, despite a failure to reach paydirt regularly, reversed last year's one point loss to New Canaan. Bob Luciani and Steve Hesser led the ground game and Joe Keller starred again at QB. Joe scored the first TD himself and then hit Bob Poster for the winning TD and extra points. The big play was provided by Tarrie McBride as he stormed through to block New Canaan's second extra point attempt.

Steve Hesser scored three Td's, two on passes from Joe Keller, as Ludlowe scored all their points in the second quarter. Bob Luciani recovered a Greg Passeck blocked kick for the first Tiger score. Porter Sherman was the outstanding lineman for this game.

STAMFORD 28 LUDLOWE 22

For the second year in a row Stamford Catholic kept Ludlowe from the top. Even in narrow defeat this was the best effort of the year. With Catholic's great line and superb depth halting the runners, Keller took to the air. He was tremendous as were the ends, Polster and Tatom. Tatom gained 100 yards on 3 great catches and Polster received 5 passes for 10 points. Dom Lagana scored 2 TD's before being injured. Eric Zolan blocked 3 consecutive Catholic punts early in the game to keep Ludlowe in the lead. But a dubious pass interference call, ruf fing the kicker, and a blocked punt gave Catholic the breaks they needed to pull out the victory.

NORWALK BOWS IN 12 - 7 THRILLER

On a wet Saturday morning, Ludlowe eeked out a narrow victory in a game marked by mud and rain. Bob Luciani, with 125 yards gained was Ludlowe's whole offensive show until late in the fourth quarter when Steve Hesser picked up a rolling punt and raced 60 yards untouched — helped by Luciani's block. The conditions which led to numerous fumbles and interceptions, almost caused an upset.

TURKEY CLASSIC A RAVENOUS MEAL

Joe hits Bill for the second score.

Although Ludlowe was held under the 50 point total for the first time in 3 years this was a fitting climax to a great year. Scoring at will, Ludlowe ran up a 24-0 first quarter score and then coasted to a 48-0 final. Joe Keller was magnificent, completing 22 of 23 passes for 230 yards and 32 points. Paul Tallman, back in the lineup, dazzled the crowd with 2 twisting 25 yard runs, one for a TD. Bill Selim and Bob Polster each scored twice and Pat Tatom scored once and caught 2 PAT'S.

"Most Valuable"

Sue braving the rain at Darien.

Next year's varsity compiled an 8-1 record. Losing only to Darien, they showed a lot of promise in winning their last 6 games. Outstanding players included Jeff Tuttle, Bill Herbert, Paul Lee, and Kevin Prenderghast, all backs; Paul Zolan, Mike Pullen, and Dave Krentzman, linemen; and Steve Carta, and Don Haggerty, ends.

MR. EMIL TAFT
"COACH OF THE YEAR"

"A little PRIDE AND SACRIFICE usually works."

Coach Emil Taft has been producing winners for a long time without receiving any accolades. But this year the "TOWN CRIER" presented him with the annual "COACH OF THE YEAR" award. Coach Taft has been at Ludlowe for eleven years, accumulating a 54-40-5 record. The last six years he has achieved a tremendous 40-16-1 record. He has had winning teams seven out of his eleven years, the last four in a row, and in 1961 Ludlowe was the undefeated State Champion. We salute a fine and successful man.

Ludlowe's Harriers ended the season with a record of five wins and eight losses. Coach O'Dwyer's boys finished ninth in the FCIAC meet. Ludlowe produced the area's outstanding runner, Co-captain John Langan. Then disaster struck as John was hurt in the Staples-Greenwich Tri-meet and did not run again until the Town Meet. Ludlowe's other bright spot was Bill Leary. Bill took a first, four seconds, and two thirds pacing the Tigers over the second half of the season.

The Boy's Fencing Team had a successful season, finishing with a record of five wins, two losses, and one tie. The squad was undefeated against Connecticut high school fencers for the second consecutive year, the only loss being to the Yale Freshmen. The loss to Yale was the first in three matches with the Freshmen, and a former Ludlowe fencer competed for the Yale squad. Ludlowe's domination of Boy's fencing in Connecticut continued in the State Championships. For the second year we had three of the six individual finalists. Placing were: Mark Ryan, first; Mark Wilcox, third; and Greg Kissell, fifth. Mention should also be made of Ludlowe's Exchange Student from Thailand, Supat Infahsaeng, who converted his knowledge of Thai style fencing into several victories for Ludlowe.

Co-Captains Bob Polster and Glenn Parker, Seniors.

Coach Tris Carta always produces a winning track squad. This year they looked ahead to having one of the best area teams. Co-captained by Glenn Parker and Bob Polster, Ludlowe was strong on the sprints and half mile up. Polster was strong last year in the quarter mile and should prove a versatile performer. Star sprinter Steve Hesser is pointing towards a record-breaking season and he will be pushed in the 100 by Dom Lagana. Seniors Bob Selleck and Tarrie McBride, and juniors Bruce Perras and Jim Murphy are all throwing the javelin well, with Selleck leading the way. Bill Herbert will take care of the pole vaulting and seniors Pete Galle and Dom Lagana will put the shot. Providing depth will be senior Chris Matthews in the 880, junior Bill Leary in the two mile, and the Carta brothers, Steve and Mark in the middle distance events.

FIELD HOCKEY

Would you believe that this is the new look in field hockey circles today all over the world? Latest reports indicate that more and more schools are adopting the popular look of 1935. The R.L.H.S. team of 1967, shown on the following page, is stubbornly resisting the return to the thirties, but it is hoped that they will eventually succumb to the current trend.

In spite of the raging controversy, the "Tigerettes" enjoyed an undefeated season. Following their last victory, the girls celebrated with a team dinner party in honor of their coaches, Miss Marie Heady and Miss Pat Small.

Congratulations on a fine season, girls!

The girls basketball team of 1931.

Captained by Arlene Bognar, the Girls' Varsity Basketba.' Team fought their way to a 8-1 record, bowing only to New Canaan in the last game of the season.

The biggest commotion of the year arose when Miss Heady gave the order for a "skins and shirts" basketball game. This game, departing from the regular attire, resulted in a new attendance record, caused mostly by the male population of the school.

The Girl's Fencing Team finished its second year of activity with an excellent record of six wins and one loss. In these two years, the only defeats have come at the hands of Wolcott High School, while the team is undefeated against all other teams.

The squad was led by seniors Amy Lutters, Lynn Ferry, and Janice Mininberg. Considerable help came from sophomores Betty May Butkus and Kris Allen. Betty made the finals of the state championships placing fifth and Kris missed the finals by a narrow margin.

Even though the team loses three strong fencers, the return of six experienced underclassmen should mean a good year in 1967-1968.

As freshmen, the class of 1970, we found ourselves implanted in a world of ranking upper classmen, blood-thirsty teachers, and confusing classes. To fulfill the requirements for becoming the leaders of tomorrow, we, as freshmen take it upon ourselves to overcome the obstacles before us. Although it is generally believed that there is security in numbers, even in this competitive world some of us prefer to "go it alone."

This year we have made a transition. We no longer look in awe at the accomplishments of the upperclassmen. This year we have taken steps toward our own identity. We have developed a spirit; a personality of our own. For example, we have had financial successes in activities ranging from the selling of refreshments at the New Canaan football game to a ski trip to Butternut Basin. We can also boast a successful dance. We have risen from baffled Freshmen to energetic Sophomores, and we have had a great time doing it. We should emerge with not a few spirited leaders but a class of leaders — a class of which anyone would surely be proud.

This year we have realized what it means to be upperclassmen. In the Spring of 1966 we held elections for this year's officers. With over twenty candidates, many of us found it difficult to decide on a vote. But after the elections we were pleased to find Paul Lee as our President, Kevin Gummper as our Vice-President, Pam Fuhrer as our Secretary, and Kay Ryan as our Treasurer. Under the leadership of our officers and representatives, we've undertaken concessions at football games, we sponsored the "Measod Weasorld," and our colorful "Carousel" highlighted the Spring. With all these fund-raising and social activities we will enter our senior year with a substantial treasury, memories of good times, and high hopes for the future.

We have posed for senior pictures, strained over college applications, applied for jobs, submitted to armed forces physicals, crammed for finals, and begun already to reminisce over the good times of our past four years. We are not unlike the seniors who, 50 or even 30 years ago, experienced many of the mixed emotions we are beginning to feel about closing the last door to high school and descending onto the hectic and confusing street of adult life. Our society, economy, philosophies of education, and fashions have been altered many times since 1917 — yet the basic fire of youth has remained unquenched.

The earliest senior class picture available to us is that of the Class of 1937. We look laughably different than the seniors of 1917, and the same amusing difference is highly noticeable between our class and that which graduated 30 years ago. Some of the names are the same — Chueka, Cunningham, Homa, Fish, Johnson, Jones, Knapp, Miller, Nagy, Nichols, Riker, Rose, Sebestyen, Scott, and Skiba, but our class is unmistakably different from . . .

. . . The Senior Class of 1937

Senior Characteristics

As each individual has his characteristics, so each class has its characters. The Class of 1967 has devised a combination of this, presenting you with its Senior Characteristics. The world will always have its Charlie Browns, Snoopys, and Schroeders as well as those "best" blushers, artists, smilers, and arguers. And yet we predict that some of our "bests" will attain unique fame and fortune because of the very characteristics they represent as members of Roger Ludlowe's Class of 1967.

Most Talkative

Cappy Mohlman and Craig Thormann . . . Pearl and Mone on the phone . . . "Have I told you about . . . ?"

Class Musicians

Priscilla Miller and Richard Sebestyen . . . From Student Conductor to "South Pacific" . . . Our most "noted" musicians.

Class Arguers

Jim Yasser and Marsha Maynes . . . No trivial contradictions, of course — simply a search for truth . . . But then, that's debatable.

Most School Spirit

Pat Magrini and Houston Rabbitt . . . Ludlowe's most ardent sports supporters . . . Always ready to boost.

Class Flirts

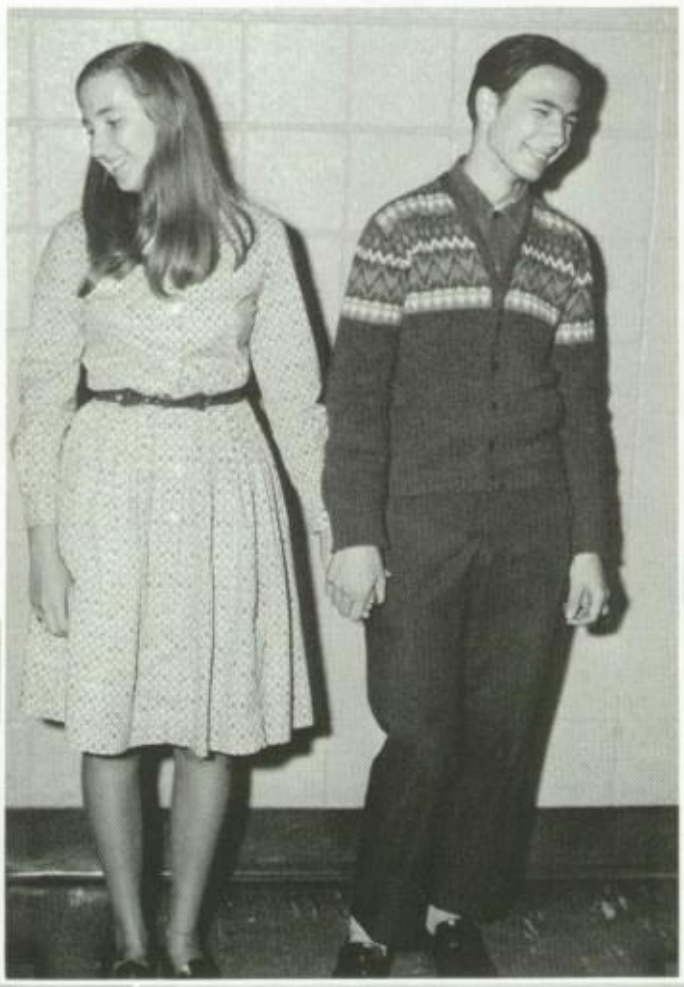
Chris Storey and Kathy Truitt . . . A smile for every member of the opposite sex.

Class Athletes

Arlene Bognar and Steve Hesser . . . From cheerleading to track . . . Our most versatile and valuable athletes.

Outstanding Laughs

Bill Stratton and Pat Herbert . . . Always heard before they're seen . . . Great laugh — great personality!



Most Bashful

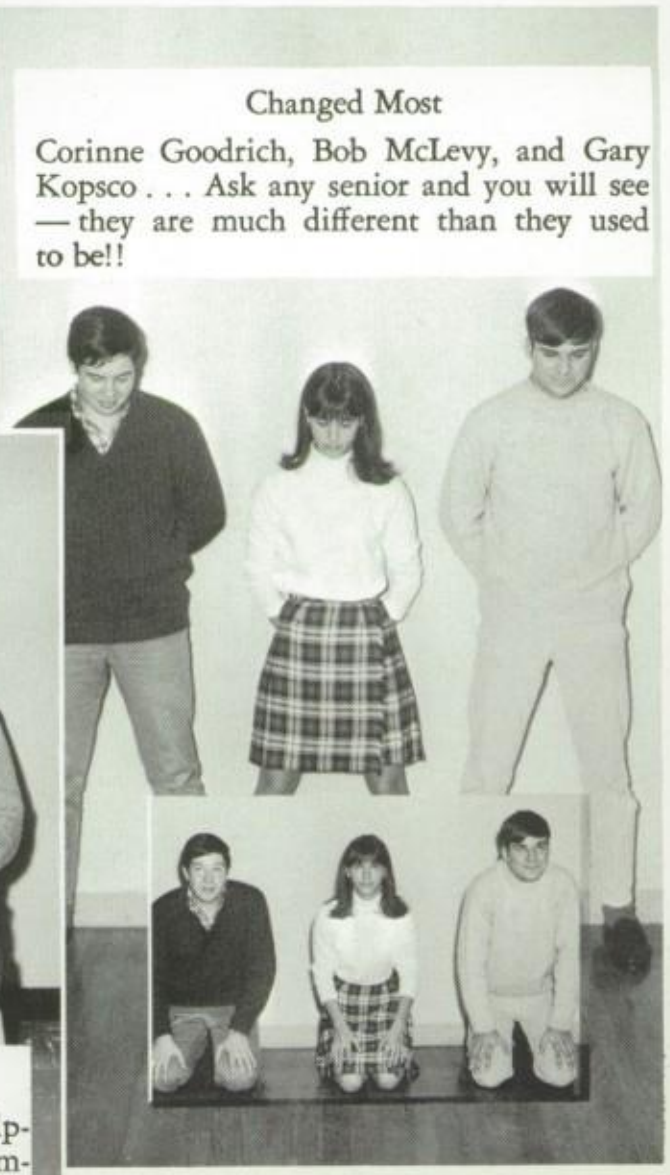
Phyllis Hull and George Szigeti . . . A welcome couple in Ludlowe's noisy halls.

Class Borrowers

Kendy Stothart and Mark Hoyt . . . They owe the Senior Class a lot . . . "Anyone have an extra dime?"

Class Blushers

Dom Lagana and Meg Lynch . . . Chippawa's cousins . . . When they are embarrassed, you know it!

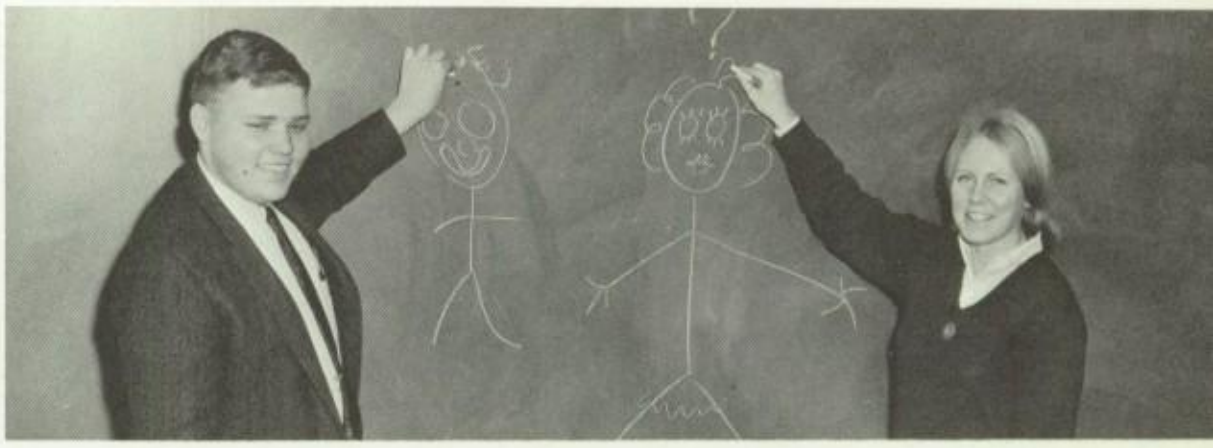


Changed Most

Corinne Goodrich, Bob McLevy, and Gary Kopsco . . . Ask any senior and you will see — they are much different than they used to be!!

Most Sophisticated

John Gambell and Amy Lutters . . . Ludlowe's young sophisticates . . . Always pleasant and composed.



Class Artists

Jack Farkas and Mary Kijanka . . . Talented artists in every way . . . From portraits to ceramics.

Friendliest

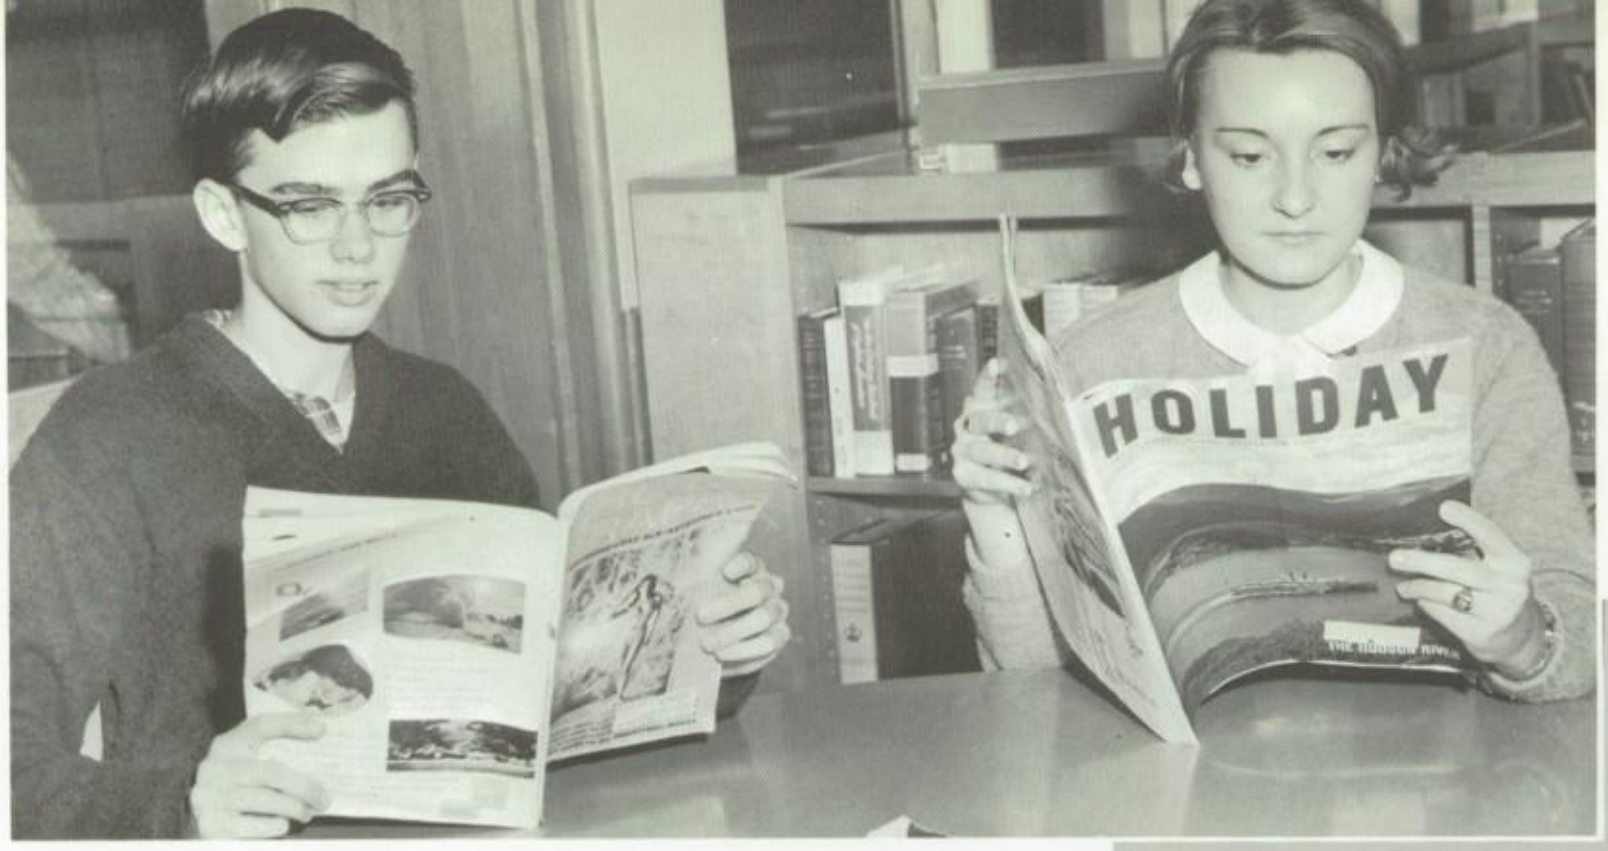
Esther Scheele and Gene Gruman . . . Always ready with a friendly greeting . . . And in their case, it's always returned.

Best Dressed

Pat Skiba and Joe Keller . . . Did they ever wear the same thing twice? . . . Quality plus quantity.

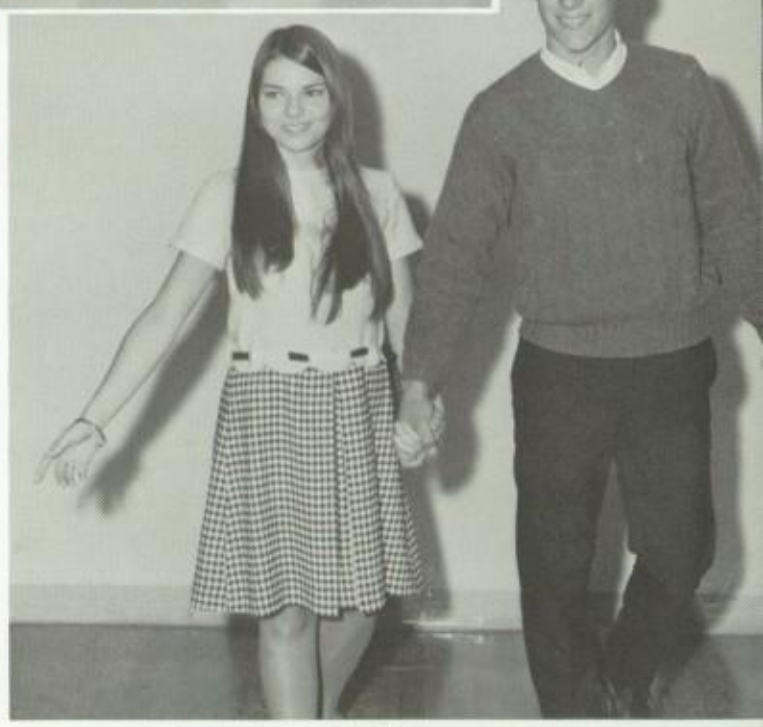
Most Respected

Bill Selim and Louise Riker . . . Looked up to in every way . . . Mr. Prom and Miss D.A.R.



Most Studious

Larry Kuekes and Carol Zygmunt . . . Can solve any teacher's problem . . . Knowledge is power.



Best Looking

Gary Champion and Barb McLean . . . The closer they get the better they look.

Nicest Smiles

Supat Infahsaeng and Maris Messinger . . . Our Pepsodent smiles . . . Indeed a treasure to preserve.

Best All 'Round

Jane Ireland and Bob Polster . . . Tops in everything . . . Intelligent, friendly, and clever . . . We could go on forever.

Typical Seniors

John Langan and Julia Ward — our class pride and joy . . . Mr. and Mrs. Kris Kringle . . . Never seen separated.

"It's more than just an easy word for casual good-bye;
It's gayer than a greeting, and it's sadder than a sigh."

(BLANDING)

Senior Class Officers

Jane Ireland
President

Gene Grumman
Vice President

Such words describe the mixed emotions of the Class of 1967. We have learned and prospered during our four years at Roger Ludlowe. This year, led by Jane Ireland, Gene Grumman, Irene Kearns, Pat Herbert, and our faithful advisor, Mr. Williams, we have scribed our greatest marks of education and prosperity. Our final strides at Ludlowe were wide, as indicated by "Kris Kringle's Mingle", the senior movie "Born Free", the senior picnic, and our final fling, the Senior Banquet.

With graduation but a few days in the future, all the fun and work come to a close, and we begin to understand that word, nostalgia . . . just as the classes of 1917, 1918, 1919, must have learned its meaning. Especially now, The Class of 1967 unites . . . proud to be the 50th graduating class of Roger Ludlowe High School.

CONGRATULATIONS

CLASS OF 1967

Our compliments on an important milestone in your life—your high school graduation.

Some of you will be going on to further educational experience. Others will be entering soon into a business career.

Whatever your plans, we are very much interested in talking with you about opportunities with Warner's now—or in the future.

So, come and see us soon. It could make an important difference in your future.

Barb - 1967

Always remember,
(How could you forget!)
the night with the Police,
the search lights, and the boys
down at the lake.
We did some pretty wild and wonderful
things together. Don't ever forget them.
Have a wonderful time and good luck in
California. See you Next Summer!

Love Denise
